

Our mission is to provide culturally competent and linguistically appropriate legal, social, and educational services to the most marginalized segments of the API community including women, seniors, youth and immigrants. Through community-based services, API Legal Outreach promotes the development, empowerment, and self-reliance of the community by working for equal justice and to break the cycle of violence against women, youth and seniors.

Federal Tax Identification Number: 94-2583284

Thank you for your support!

Strengthening Lives, Building For Our Future
